

# MONARCH

## FRAMED SCREENS

The Monarch is **Strong | MDI**'s low cost solution for applications requiring a high quality fixed framed screen. The simple yet elegant extruded aluminum frame is covered in light absorbing black velvet. The frame is designed with the edges close to the screen, enhancing the overall finish and providing superior image quality. The sturdy snap fastening system ensures a perfectly tensioned surface and an impeccable picture. The Monarch is available with any **Strong | MDI** front or rear projection surface.

*Applications include:* Conference rooms, museums, studios, auditoriums, reception halls and home theatres.
